In recognition of our dearest and most beloved friends

Ira and Esther Lipschitz

for being honored by your illustrious shul

We hope that your shul realizes what a special *mispallel* they have in their midst. A *baal midos* par excellence, who happens to have an unparalleled sense of humor. A ben Torah who just happens to work for a living. A man with enough *Yichus* to actually be a legitimate *Chasidische* Rebbe. With a *Rebetzin* who is his perfect counterpart in every which way.

May you both have much nachas from your wonderful family, and may you continue inspiring us, and your kehillah in good health, for many years to come

From your favorite Flatbush friends.
