Mazel Tov to

**Rabbi Daniel and Lea Price**

It is our honor and pleasure to partner with individuals who are true role models, both inside and outside of school, for our faculty and staff, lay leadership, parent body and, most importantly, our students. You watch over our children on a daily basis as if they are your own. You celebrate the simchas and accomplishments of each RYNJ student as if it is your personal simcha and accomplishment. How happy we are to return the sentiments when you are being honored for all that you do for your community. We are grateful for your leadership and commitment to RYNJ and the time and effort you put into the personal relationships you have created with each of us.

Thank you.

It is with a great sense of pride that we wish a  
Mazel Tov to our dear children,  
**Cheryl and Aryeh.**

It has been a zechus, Aryeh, to witness your  
never ending love of Torah, Chesed and  
Family. It is no small wonder that you found  
an Aishes Chayil like Cheryl, who never stops  
growing in learning and then living what she  
learns. And what a mother! You are both true  
Baalai Chesed to all whom you touch.

With much gratitude, we would like to thank  
**Rabbi Sacks**

for his instrumental role in our children's  
lives. As a mentor, a teacher, a role model,  
he has guided Aryeh and helped mold him  
into the person he is today.

Mazal Tov **Mommy and Abba!**

As the Rav said in his drasha,  
you really deserve to be honored.

**Abba-** You always fulfill the Chazal, B'makom she'ein ish yishtadeil lihyos ish. But once someone else wants to take the position you readily hand it over, because you don't do it for the kavod, the zechus, or the schar, you do it because it needs to get done. You always try to make everyone smile and feel good.

**Mommy-** You are so devoted to making sure our house runs smoothly. Cooking, cleaning, laundry, errands and driving carpool is only a small part of what you do. You also give advice to others, trying to help out those in need. Both of you are baalei middos, always seeking to grow. You elevate the mundane tasks by doing them l'sheim shamayim. You make us feel loved, and we always know that you are there for us.

We are so fortunate to have you as our parents.

May Hashem grant you the strength, and all the tools you need to keep on doing what you are doing, and to keep on growing for many years to come.

Your Dear Children,

Mazel Tov on this well-deserved honor.

It is not surprising at all!

You have always been leaders of your communities in Queens, Bergenfield and Passaic, and have worked hard to ensure that your family is surrounded by a strong community based on Torah values and middos tovos. Our family has seen your dedication to these values time and time again and the Passaic community has clearly recognized how special you two are.

אגודת ישראל ברכה יעקב  
Agudas Yisroel Bircas Yaakov

Mazel tov to our niece and nephew on this well-deserved honor.

**Aryeh**, watching you grow up has been a most interesting experience. While you were born a tiny preemie, there was never anything underdeveloped about you. From your brain power to your midot to your capacity for learning and most of all, your ability to listen, to care, to empathize and to put all your learning into every fiber of your being, you carried an oversized torch. And despite all that you excel at, you are one of the humblest people I know.

**Cheryl**, you get your own paragraph because it takes a woman with your qualities of smarts, chesed, calm, and the tireless pursuit of being the best wife, parent, friend, and person you can be that makes the perfect azer knegdo, a loved and respected member of our family, and of your community, and a unique human being.

With your tireless devotion to Torah, your family, our family, your community and klal Yisroel the two of you are the embodiment of the values we all aspire to. It is a zechut for us to have been there at times to guide you but when you become the ones to guide us, that is nachat. We are honored to honor you tonight and always.

Mazel tov to **Rabbi Daniel and Mrs. Lea Price**.

*Yasher koach* to the dinner chair and the entire dinner committee. A labor of love.
